

Check-in on iPhone

Choose your language and check in for your flight.

2. Click on Flight Check-in

1. Click to choose your preferred language

Locating the Passenger in the System

The screenshot shows the El Al mobile application interface. At the top, the status bar indicates 'No Service', a Wi-Fi icon, the time '18:52', and a battery icon. The app header features the El Al logo. A 'Back' button is located in the top left corner. The main content is divided into two sections: 'Electronic Ticket' and 'Frequent Flyer'. The 'Electronic Ticket' section includes a table with the following data:

Airline	ELAL Sun d'Or
Number	1142444802007
Family Name	QLEVRAN

The 'Frequent Flyer' section contains two input fields: 'Number' and 'Password'. A 'Continue' button is positioned at the bottom of the screen.

Identifying the Passenger and Filling in Missing Details

Passport expiry date	23/11/2012
The above matches my passport	No Yes

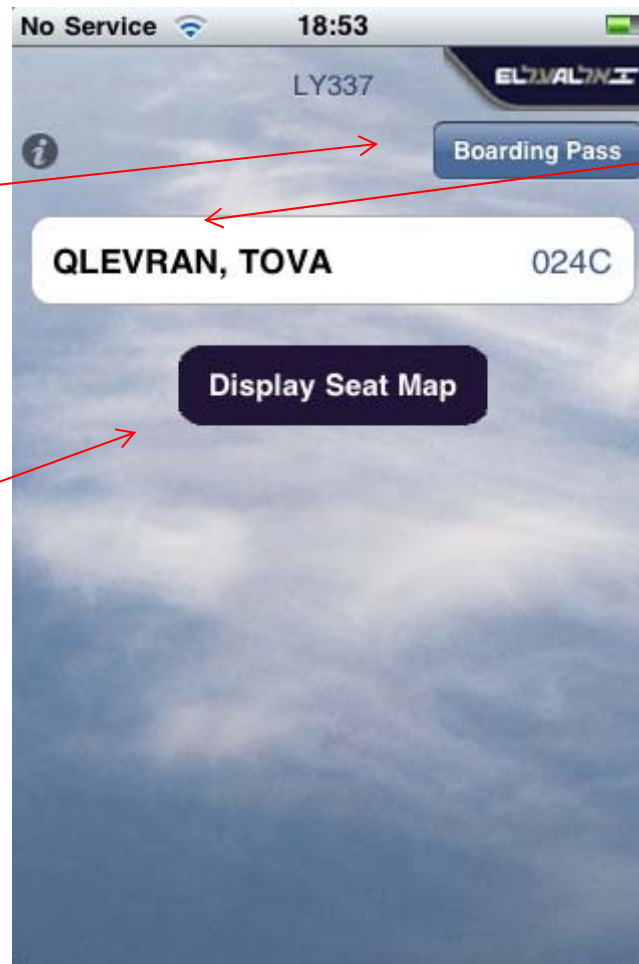

Secure Flight Privacy Notice

Some countries require passport and residence details before check-in. When flying to these destinations, the system requests this information.

Check-in Confirmation and Transfer to Change Your Seat or Issue your Boarding Card

If you are satisfied with the assigned seat

If you wish to choose a different seat

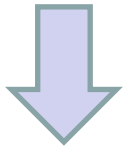

Passenger Name
Flight Seat

Before changing your seat, click on the **CHANGE** button.

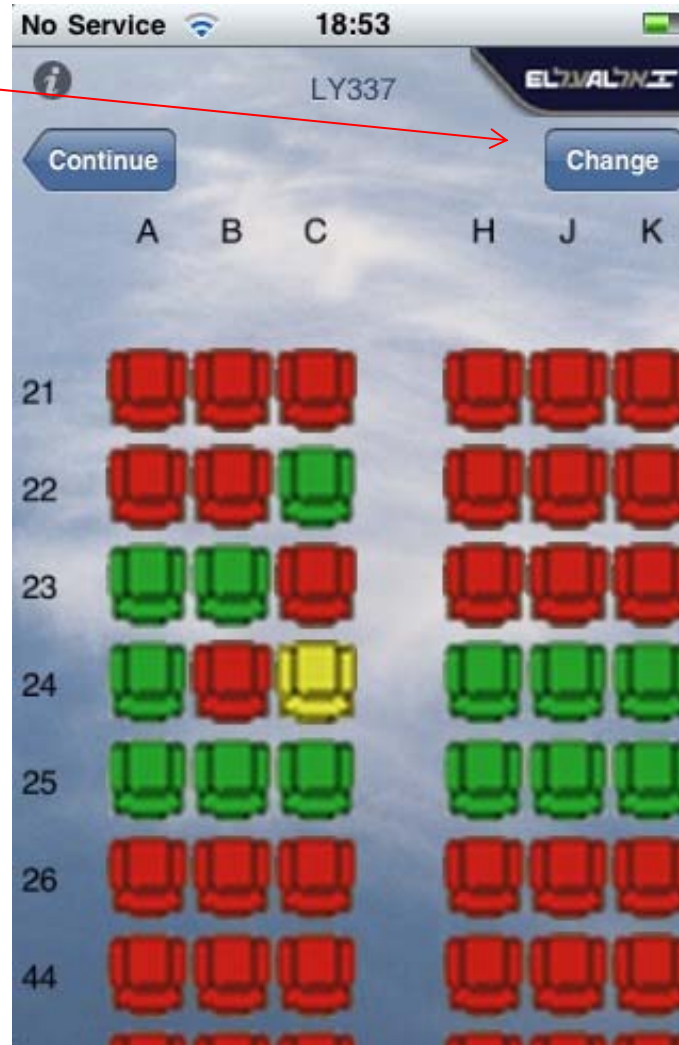

Click on the yellow seat

Click on the green seat of your choice

The **IDENTIFY** icon now changes to **END**. Click on it to confirm the change.

YELLOW seat – Passenger's seat
RED seat – Occupied
GREEN seat – Available

Boarding Card

This screen serves as confirmation of check-in. At present, passengers require a standard boarding card, which is issued at the express check-in counter when dropping off baggage.

Clicking on the envelope sends a copy to the email address that appears in your passenger profile – Optional.

To return to the check-in screen, for the next passenger, click on **END**.
